Shipping Instructions "eaSI" to perform:

- Advanced service to submit your Shipping Instructions online
- "eaSI to use" intelligent PDF documents
- You can download eaSI online Shipping Instructions pre-filled with Booking data. Simply edit the document with the freely available Adobe Reader (required: Version 7.0.9, recommended: Version 8)
- Your submitted documents are processed in the same way as an EDI message

It contains:

- Overview of your actual shipments and Shipping Instructions received by Hapag-Lloyd and also submitted B/L Instructions.
- The eaSI PDF file contains pre-filled Data fields from the confirmed booking such as: Shipment / Booking No, Vessel and voyage, Ports and more
- Jump directly from "documents" to "Electronic-Advanced Shipping Instructions: eaSI online" for the eaSI feature

Your Benefits:

- Manage your B/L Instructions, your Drafts and Templates online
- Download your eaSI PDF file - pre-filled with the booking data and easy to use template functions
- Simply create „High-Quality-Templates" of completed B's/L with best data accuracy
- You can send your Shipping Instructions online or via e-mail whenever it is needed
- No active IT involvement required. You only need the free available Adobe Reader
