Container Tracing:

- See where your containers are located at any time, 24/7.
- Tracing with container number without log-in.
- Search by container number or Hapag-Lloyd shipment number.
- See which activities have taken place for your container, such as vessel load, departure, discharge, arrival, etc..
- See the planned and estimated dates for your upcoming container moves.

Enhanced Tracing:

- See a list of your company's current shipments and view the container status.
- Search and filter your shipments based on criteria such as:
 - Bill of Lading Number
 - Vessel Voyage
 - Port of Loading
 - Port of Discharge.

Your Benefits:

- Timely import information in one convenient location.
- Real-time access to your transport data whenever you need it.
- Arrival Notice copies available for download up to 30 days after creation.
